Introduction

In this paper, we demonstrate that the megagift monuments around the world were all built by descendants of the Harappan Jews. They spread their knowledge of Physics by embodying important parameters in their monuments. I think the knowledge of Physics came from the Orb viz God.

All the Ancient megagift moments were built by the Harappan people -the Jews (meaning wet snow at the foot of the Himalayas).

The Ellora Caves in Maharashtra =Hara, India, the Goebokki Tepi in Turkey on the edge of the Hurrian (Haraian) controlled areas; the Pyramids of Giza and The Followers of Horus (Hara), the Mayan (Manasseh) on the Yucatan Peninsula in Mexico; the Inca (Macha Picchu) in SE Peru who worshipped the Sun God and were ruled by Hurin (Horan) and Hiran (Haran) Figure 1; and Stonehenge in England and probable others Figure 2.

Figure 1: Location of Gobekli Tepe.

Figure 2: The Haras in Turkey.

The Ellora Caves are made of Basalt. Basalt is composed of the following molecules:

If we add H₂ acid to the above reactants, we get either H₂O or H₂O₂ in the products Figure 3.

Chemical composition basalt rock:

| Chemical compound | % weight of basalt |
|--------------------------------|--------------------|
| SiO ₂ | 51.58 |
| Al ₂ O ₃ | 15.48 |
| FeO | 9.43 |
| CaO | 8.50 |
| MgO | 5.10 |
| Fe ₂ O ₃ | 4.42 |
| Na ₂ O | 2.10 |
| TiO ₂ | 2.08 |

Figure 3: The composition of Basalt.

$H2O2=2(1.0079)+15.999(2) =34.0138 \sim 34$ There are 34 Temples.

$$H2O=M=18.0148$$

$$34.0138/18.0148=1.888$$

$$1.0079 \times 2=201.58$$

$T=e^M=e^{201.58}=1/1132$ civilization ending Earthquake in 1333 BCE

$$E^2+E-2=t$$

$$13.321^2+13.321-2=1.888=t=H2O2/ H2O$$

$$O/H2O=0.888$$

$$1-0.888=1/c^2=E$$

$$E=Mc^2$$

$$15.999 \times 2.9979^2 \times 6.022=0.866=\sin 60 \text{ deg}=t$$

For someone who is interested Figure 4, all these sites and probably more can be analysed by someone who knows AT Math to find further parameters in the ancient sites.

Figure 4: Maya technology in their temples.

Conclusion

The Ancient monuments around the world were built by the descendants of the Harappan -Jews.
