Abstract

According to Gurunathan, the symbol for "A" is the fish. The fish means the KING or GOD. That symbol was used for Jesus and the Christians.

Introduction

I suggest that the Harappan Script symbol of "A" is a man or ADAM. The symbol for EVE is the the same as the Sumerian Cuneiform. The Hittites were from the Indus Valley. They wrote in Sumerian. It may have been that the Mesopotamian Cuneiform originated with the Hittites, not Mesopotamians.

There should be a link between the Meso Cuneiform and

Harappan [1]. It is the terms for ADAM and EVE. Recall that we previously postulated that the Garden of Eden was in the Indus Valley.

Centuries late Moses wrote the Ten Commandments Figure 1. The symbol for "7" is the same as that for the Harappan script. Moses would have known Egyptian, Mesopotamian, Hebrew, and Harappan Figure 2.

Also, not that the word for PAKAVAN =Pakistan means God. IRAN= IRAIAN means "GOD" or "KING" Incidentally PERU means Great. Peruvians speak Spanish – a romance language Figure 3. Not that IRAI is also used. It is French for the future of "to go" which is an irregular verb. AMMAN (Jordan=Arabic) is translated to "MOTHER

GOD" UACCAN = Yucatan Peninsula= "Priest" =Manasseh=Indians.
