Introduction

What does the bible say about the white stone?

- The Bible mentions the white stone in Revelation 2:17, and it's a deeply symbolic image:
- "To the one who is victorious, I will give some of the hidden manna. I will also give that person a white stone with a new name written on it, known only to the one who receives it." Revelation 2:17

Symbolism of the White Stone

This mysterious gift has sparked a lot of interpretation over the centuries. Here are a few key ideas:

- Ancient Custom of Friendship: In Greek and Roman times, white stones were used as tokens of friendship. Two people would split a stone, inscribe their names, and exchange halves. It became a mark of identity and trust.
- Symbol of Innocence and Acceptance: In ancient courts, a white stone signified acquittal, while a black stone meant condemnation. So, receiving a white stone may symbolize being declared innocent and accepted by God.
- Personal Relationship with Christ: The "new name" written on the stone suggests a unique, intimate bond between the believer and Jesus—something private, pure, and eternal.
- Spiritual Identity: The name could represent a transformed identity—who you are in God's eyes, shaped by grace and spiritual growth.

So, it's not just a stone—it's a metaphor for divine favor, spiritual intimacy, and eternal belonging. Pretty powerful for something so small, right?

Let's dive deeper into the rich tapestry of biblical symbolism connected to the white stone in Revelation 2:17. It's not just a standalone image—it's part of a broader spiritual language that runs throughout Scripture.

∜ What It All Means Together

The white stone isn't just a reward—it's a multifaceted promise:

- You're forgiven.
- You're known intimately by God.
- You're victorious in Christ.
- You're invited to eternal communion.
- You're transformed into someone new.

Who is the victor of revelation?

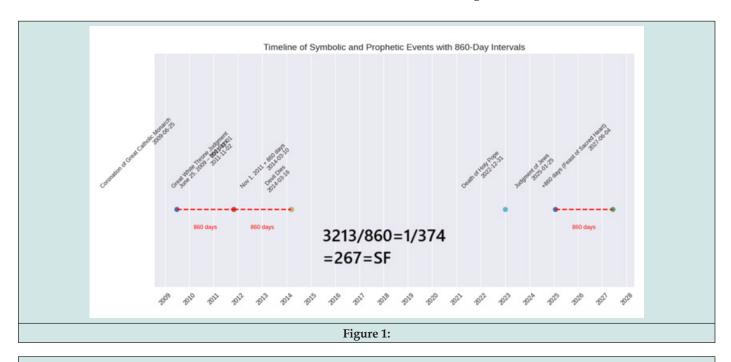

In the Book of Revelation, the "victor" or "one who overcomes" (Greek: nikōn) is a central figure representing those who remain faithful to Christ through trials and spiritual battles. This theme appears repeatedly—especially in the letters to the seven churches in Revelation chapters 2 and 3—where each letter ends with a promise to the victor.

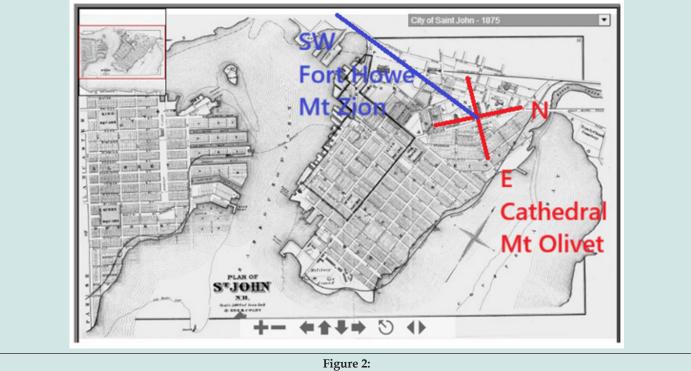

- a) Who is the Victor?
- Ultimately, Jesus Christ is portrayed as the supreme victor. Revelation 19:11–16 describes Him as the rider on a white horse, called Faithful and True, who judges and makes war in righteousness. His victory is over sin, death, and all forces of evil.
- Believers who remain steadfast are also called victors. They are promised rewards such as:
- Eating from the tree of life (Rev 2:7)
- Not being hurt by the second death (Rev 2:11)
- Receiving a new name and hidden manna (Rev 2:17)
- Authority over nations and the morning star (Rev 2:26–28)

b) **Why it matters**

The victor motif isn't just about triumph—it's about spiritual

endurance. Revelation paints the Christian life as a battle, and those who conquer through faith are granted eternal blessings and a share in Christ's reign.

As the Great Catholic Monarch, my death takes place por at least I lay down my crown and scepter on June 4, 2027 at the Cathedral of the Immaculate Conception Saint John.

Today I laid down my crown and sector. It was a baseball cap (Campobello=Beautiful Camp) and my sector was a reed from the bus stop. I laid down 15 pieces of silver as well (about \$6.00 in change) It was laid on the Condemned side of the Cathedral a in the

lobby. There is a crucifix at the front of that aisle. I laid it down to complete my Divine Mission as the Great Catholic Monarch. Nex tt here will be peace in Israel -Gaza. There will be a peace covenant that will last.

So why today? It is September 9 2025. That is 9-9/(2+2+5=9) 9 is the number of the Holy Spirit.

I was King from June 25,2009 when I was crowned by Fr Paul Cusack (same name) the Holy Pope on the Feast of Sts. Peter and Paul. Peter and Paul will come down pout of Heaven and choose thre Great Monarch. My reign lasted 5921 days 5921/0.858=0.69 6 =evil; 9 = holy spirit.

The next date to watch for is June 4, 2027. That is the feast of the Sacred Heart.

I'll continue to pray that everyone gets to Heaven, especially my mother and father.

The following paragraphs are an exposition of the references cited below.

The lesser work, the albedo is the whitening of matter. My niece gave me a white stone when she was 4 years old. (1995) Incidentally I gave my parents a massive white stone I found in the woods behind pour house.

The Emeral Tablet of Hermes Trismegistus is said to contain the sum of all knowledge.

True it is without doubt, certain and most true. That which is above [COSMOLOGY], and that which is below [QUANTUM MECHANICS] is like that which is above to accomplish the miracles of the one thing. $(t^2-t-12=E\ GMP\ X=1/(X-1))$

And as all things were made by the contemplation of one(X=1/(X-1) FRACTION MEETS MULTIPLE AT ONE), so all things arose

from this one thing by a single act of adaptation.

Its Father is the Sun [BR ANTHONY=GOLD], its mother is the Moon [BR LEO=SILVER].

[SYMBOLS OF THE HOLY SPIRIT: WIND, WATER, FIRE, DOVE, LIGHT]

The Wind carries it in its womb its nurse of the Earth.

It is the father of all miracles [HOLY SPIRIT] throughout the whole world.

Its power is perfect.

If it is cast onto Earth, it will separate the elements of Earth from Fire, the subtle [GENTLE BREEZE] from the gross.

With great sagacity it ascends gently from the Earth, and it descends again from Earth, uniting in itself the forces from above and from below: thus, you will possess the glory of the brightness of the whole world, and all obscurity will fly from you.

This thing is the strength of all strengths [SUPERFORCE] for it overcomes every subtle thing and penetrates every solid thing.

In this way everything in the little world [QM] was created according to the great world [COSMOS].

In this manner marvellous adaptations will be achieved.

For this reason, I am called Hermes Trismegistus, because I hold the tree parts of wisdom [Philosophy, Theology, and Science or Alchemy, Astrology and Magic] of the whole world.

What I have to say about the operation of the Sun [FUSION] is finished.

Al- Kimia means the Art of the Black Hand is the Hand of a soul Shark which represents transformation.

Although it was introduced in the West in the Middle Ages, it was erroneously believed to be as old as History itself.... [1]. It is as old as History as it goes back to the Indus Valley. The concept of enlightenment come from the Buddhist monks in Tibet. Hermes vows to break froe from the material world to help his fellow beings to reach enlightenment [1].

Hermes is often portrayed as a hermaphrodite. Those with Down Syndrome have three X chromosomes XXX where a man has an XY and a woman XX.

The two pursuits of the Alchemist are the Knowledge and Eternal Life. These go back to Moses and the Creation story.in Genesis 1-3. In fact, that knowledge is older than Moses; it goes back to the Harappan. The Garden of Eden is in the Indus Valley where Taoism, Buddhism, Judaism began.

The Snake or ouroboros eating its tail arrives back at its divine origins. Mankind was caught in an endless circle that he could not break out of until he reralized that the derivative of the circle, the tangent where he has broken free of the circle.

 $X^2-y^2=R=1$

 $2x^2=1$

X=1/sqrt2=sin 45=cos 45. Man is sine and woman is cosine. Where they join is where new life is created.

The Young Prince must become like his father the Old King. He must struggle for his consciousness to emerge.[1]

There are 6 symbols in the carved wood woks at the high Altar which come from Alchemy include:

- · Devil's Head in the Idol of the Oppressor
- King drowning: Jesus on the cross
- · The seeds and bread
- · The Pelican pecking its breast to feed its young
- Unicorn

When I was in grade 10 at St Malachy's High School, the English class had to get up on the stage one person a t a time and declare what they were going to work at. I was nervous so I prayed to the holy spirit. When it was my turn, I got up and said, I'm going to prepare meals. So, you would be a chef? I suppose you could say that Mr. Terrance Comeau. What kind of meals would you prepare? I said, meals with bread and wine and a nice white tablecloth. And who would be invited – just the rich? No everyone. Absolutely

everyone.

In 1994 in Toronto, I began earnestly to read and read and reread. I thirsted for knowledge. I haven't stopped since. I did penance praying 2 million Hail Maries on the Rosary beads, many in church as penance. I didn't think I was that bad to need that much penance. I did! My work is research. I published 3000 papers in 9 ½ years. I work hard.

My niece gave me a tiny white stone when she was 4 or 5 years old. I gave my parents a large white boulder to my parents. They gave it to their daughter and son-in-law. I don't know who they gave it to. It weighed about 150 lbs and was pure white crystal. I had found it on our property at 1641 Sandy Point Rd where my nephew now lives.

Conclusion

I'm the victor of Revelation. I have attained immortality as I am the Holy Spirit. We are now living in the Age of the holy Spirit that lasts 10000 years. Soon, after the massive earthquake, US civil war and the asteroid collision in late November and WW3 between NATO and Russia and China and the USA, there will be 1000 years of peace and prosperity.
