### Introduction

Trends come and go, and style evolves it's important to have piece of jewelry that are timeless and look chic, despite ever changing fashions-Karen Elson. Jewelry is something that has to do with emotions that aspects of jewelry really that interests-Ann demulemeester. I think part of the beauty of our relationship with jewelry is that it can change and evolve as we do ourselves-Erika Christensen.

### Fashion Jewelry

Wearing a right Jewelry is a simpler and effective way to enhance a little enthusiasm, creativity, uniqueness to the outfit. This even suits over a wide range right from traditional to causal i.e., salwars, kurthi, sarees etc., to jeans and tee shirts. It has become

a daily routine for each female youngster living in metropolitan cities of India to project herself with a unique new outfit every day. Obviously, the silk threaded jewelry plays major role in accessorizing the attires [1-3]. It's easy to change your jewelry wearing habits and get excited about accessorizing again. On the other hand, to sustain this uniqueness with each customer, a real challenge lies with the designers which opens a world of imagination and creativity in making one-of-kind jewelry. Also, with increasing competition with such kind of handmade customized silk threaded jewelry, this creates numerous business opportunities with mass production lines across designers over the world. Here are a few fresh jewelry wearing ideas that might catch fancy and traditional. Fancy Layer Necklace (Figure 1).

### Kerala mural hand painting jewelry

The traditional mural paintings of Kerala are fine art of skill and creative excellence. Today, the trend has shifted from wall murals

to jewelry murals. The theme of painting included the character of these stories. Here is the kathakali, one of the major forms of Indian classical dance (Figure 2).

### Bangles

Figure 4: Bangles.

Bangles look feminine, graceful and truly charming! From every day to special occasions, bangles add a touch of bling and sparkle to any and every attire. Bangles can be bought in varying materials, colors, styles and designs; depending on personal taste and need. Wedding bangles deserve every bit of attention. Each and every element that goes in creating the perfect wedding look must be well thought of and carefully picked. After all, it's a once in a lifetime experience and every single thing needs to be grand and beautiful.

The Bangles are made of Soft silk thread and in between the name carved with the small stone work enhance the look of bridal bangles. The truly awesome pink & green colour combinations gives a fabulous look to "The Bangle and The Bride" (Figure 4).

### Jhumki Bangles

In India, jhumkas love will never ends in fashion and when it comes in bangles, the output is here (Figure 5).
